

Terms of Purchase

Refunds: Any entry which is determined to be outdated (invalid), or does not fit the above definition of an endowment fund will result in a pro-rated refund for 4x your money for that entry, or those entries. For example if 10% of the database is made up of non-endowment funds the client is to receive a 40% refund on their purchase. In order to receive this refund you must let our team know exactly which entries are in error so we can continue to improve this resource, no refunds are provided without feedback on what was wrong with the database. This is our commitment to delivering a highly valuable product to you.

Ongoing Update: Clients are due ongoing updates to the director as noted on the sales page at your time of purchase, these terms change based on promotions.

Use: Each version and single Excel based Endowment Fund Database has been invisibly marked, protected, and is copyrighted material. Any duplication, extraction, or use in commercial ventures is strictly prohibited. That said, this database is provided within Excel format and the time length term of use is unlimited, this database does not expire and access to these details within Excel are never blocked after any length of time.
